SMART4ALL marketplace showcase for (E)DIHs

Programme

The event will feature a showcase around the One-stop-shop platform where DIHs across Europe will explore the opportunities for access information to cloud services, related platforms, tools and middleware frameworks and education.

 Join the event to learn how the DIHs can offer and deliver the services and support that can help the SMEs to adopt the SMART4ALL Marketplace and the components to achieve their digital transformation goals. An opportunity to share the Marketplace platform and its benefits and the impact on the Digitized Transport, Environment, Agriculture, Anything.

Date: 21st March 2024
